

CN50 Charging Holster

Providing a Solution for all your Charging Needs

Introducing the new HCN50-H Charging Holster for Intermec® CN50 Devices. One holster has it all.

Desktop Charger

The holster can be conveniently charged by simply plugging it in with the included charging cord.

USB Connectivity

Unique holster available with built in USB connector. Transfer your data with a USB cable.

Vehicle Charger

Light-weight, versatile and portable design for in-vehicle use. Optional mounting brackets for side or bottom mounts.

Spare Battery

Continuously charges the device's internal battery allowing it to run up to 2 times longer.

Holster

New rigid holster with adjustable belt clip provides strength and durability. Ergonomic design fits well in hand.

Technical Specifications

Features

- The HCN50-H holster continuously charges the device's internal battery allowing it to run up to 2x longer.
- Its integrated LiP battery provides additional 4,000 mAh capacity.
- The holster is comfortable with an ergonomic design.
- It charges the internal battery as well, eliminating the need for separate expensive charges.
